

# WIS 164 REHABILITATION

County Q to County E, Washington County

November 2017

## You are invited to a Public Involvement Meeting

**When:** Tuesday, November 14, 2017, 4-7 p.m.

**Where:** Friess Lake School Commons Area (use main entrance)  
1750 Hwy 164, Hubertus, WI, 53033

The Wisconsin Department of Transportation (WisDOT) invites you to a public involvement meeting to discuss the rehabilitation of WIS 164, from County Q to County E in Washington County.

The meeting will be an open house format, so that attendees may stop in at their convenience and view exhibits, meet with project staff, ask questions, and provide feedback.

WisDOT encourages property and business owners, interested citizens, and other stakeholders to attend the meeting.

## Project Information

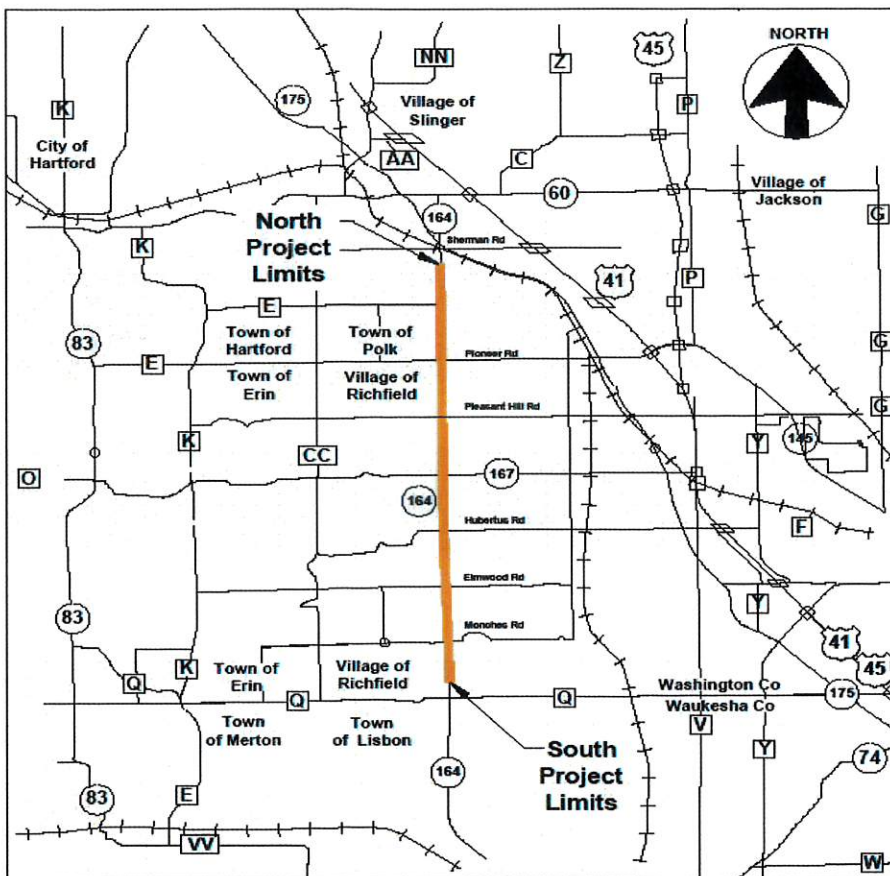

**Project Overview:** WisDOT is rehabilitating this portion WIS 164 in Washington County. The project aims to extend the life and improve safety and operations of the 2-lane roadway.

**Staged Construction:** Sections of WIS 164 will be closed to traffic and construction will take place in stages to minimize traffic disruptions and expedite construction activities.

Construction will begin on the south section of the project from County Q to just south of WIS 167. Construction of the roundabout at the WIS 164/WIS 167 intersection will be completed during the summer months when school is not in session. During the summer months, construction on the south section of WIS 164 will continue and construction of the north section of WIS 164 from WIS 167 to north of County E will begin. After construction of the roundabout is completed, the intersection will reopen and construction activities will continue on WIS 164.

**Proposed Traffic Detours:** Sections of WIS 164 will be closed to through traffic during construction. Access for local and emergency vehicle traffic will be maintained throughout construction.

WIS 164 through traffic will be detoured via County Q, County Y, I-41, and WIS 60. The WIS 164/WIS 167 intersection will be closed during roundabout construction. WIS 167 traffic will be detoured via County K, WIS 60, and I-41.

## Proposed Improvements

- Improve pavement by resurfacing or reconstructing
- Replace pavement marking and signing
- Increase lane width by 1' and shoulder by 2'
- Flatten the side slopes adjacent to shoulder
- Provide on-street bike accommodations with 6' paved shoulder
- Upgrade intersections to current design standards
- Improve intersection operations at WIS 167 with single-lane roundabout
- Modify the vertical alignment in critical locations to improve sight lines and safety
